Testimonial Jason Yaxley House DJ

To Whom It May Concern:

I have enjoyed a very positive working relationship with Jason from the time of my appointment in October 2009 until the summer of 2013 when we will sadly lose Jason to warmer shores. Jason was my first port of call for a variety of events ranging from Corporate Quiz's, Parties, our own private events and Weddings.

It was always a comfort to me and the rest of the team when organising and running events that we had a DJ that prided himself on ensuring a great time was had by all in attendance. His enthusiasm was extremely refreshing and allowed me to focus on other aspects of my job safe in the knowledge that entertainment was never going to be a problem.

Jason's conduct and reliability during his time with us has always been impeccable. We have always specified that our house DJ had strong interactions with guests and partygoers alike and this was an area where Jason excelled himself.

I will not be relishing choosing a replacement. It has been a pleasure to have this relationship with him and would like to thank him for his services and wish him every success in the future.

Yours truly,

Sam Cormack
